Hi Jim!

Late breaking news on this case. The defense is going to STIPULATE to the drugs so you will not be required to testify. YAY!

Enjoy your day!

Hi Jim -

I spoke with the defense attorney and this is definitely going to be a trial. However, I was told that there is an older case also scheduled for trial on Monday so I cant make any guarantees. If I were to put you on phone notice, how soon would you be able to be present for testimony?
